Vision Preparing our students for life

Vivid description

St Peter's College - Gore is an attractive, well maintained and resourced environment where students take pride in both their appearance and being members of our College. It is a place where students and staff feel supported within a caring Catholic community and where respectful and supportive relationships are evident between students and staff. Special Character is alive and well and we have a strong, reflective leadership team. Our students are friendly and polite and we encourage independent, resilient thinkers who are prepared to take risks with their learning. We achieve high levels of academic and co curricular success with students displaying high levels of confidence in their own abilities. A willingness to embrace diversity, the ability to work with others and use highly developed communication skills, ensures our students a positive future filled with many exciting and varied choices.

Strategic Goals

Goal 1:

Students have a desire to always consider the values of Jesus Christ as an ongoing part of their daily decision making.
