

ST PETER'S COLLEGE – DRAFT WHOLE SCHOOL CURRICULUM 2010

- Compulsory courses are in displayed in bold. Options are in normal script.
- A wide range of vocational courses, including those in literacy and numeracy, can be provided in the senior school according to need.
- Courses in Y11-13 are offered only if numbers and staffing are viable; otherwise external courses, SPEC and Gateway placements are a possibility.
- It should be noted that this is our current thinking for 2010 but some subjects offered in the junior school may change before the 2010 year begins.
