When you arrive in Queenstown, Dunedin or Invercargill:

You will be met by me (homestay co-ordinator & Administrator. I will be waiting for you by the arrivals gate.

Our airports are very small . so I will see you straight away. Look for a sign with this picture on it

I will drive you to Gore, to your homestay or the Hostel. You will be able to have something to eat and relax and settle in. You will be tired after your flight and it might take you 1-2 days before you start feeling better.

On your first day of school: You can wear your own clothes on the first day. When you arrive at school you should go to the front office. I will meet you there. You will be shown around the school and will spend the morning getting your uniform, stationery, opening a bank account, setting up your phone and timetable. You will also be introduced to some kiwi students who will be in your class.
